06 SUGGESTED NEXT STEPS

General administrative and practical recommendations from backend report output.

01

Preserve all relevant evidence, messages, call logs, screenshots, and documents.

02

Keep copies of any formal communications or written notices.

03

Consider contacting an appropriate support service or helpline from the verified database.

04

If you are in immediate physical danger, seek emergency assistance through local police (112) or emergency services.
